

## Donna J. Schoenfeld

---

### EDUCATION

Ed.D. in Adult and Higher Education, Northern Illinois University, DeKalb, IL

M.S. in Psychology, Central Washington University, Ellensburg, WA

B.S. in Psychology, University of Wisconsin - LaCrosse, LaCrosse, WI

**SUMMARY OF QUALIFICATIONS:** Significant experience and demonstrated success in wellness education and marketing initiatives in a university setting. Recognized for the ability to work collaboratively, use data to inform decisions, to routinely conduct qualitative and quantitative program assessment, and effectively manage staff and resources, including grants. Successful development and implementation of strategic plans and analysis of student-centered initiatives through a systems-focused lens. An effective leader with demonstrated ability to develop student and staff leaders through training, motivating, mentoring, and evaluating an effective team of student affairs professionals.

### PROFESSIONAL ADMINISTRATIVE EXPERIENCE

2006 – present *Northern Illinois University*, DeKalb, IL, Division of Student Affairs & Enrollment Management

#### **Director, Wellness Promotion**

- Provide vision, leadership, and accountability for all unit operations.
- Oversee comprehensive, student-centered health promotion programs, services, and interventions to assist students in their personal and academic goals.
- Assess and improve programs and services with regard to current best practices.
- Propose and manage annual budget, communications, and marketing initiatives.
- Supervise professional staff, support staff, graduate assistants, student employees, and interns.
- Build and maintain collaborative relationships with students, faculty, staff, and members of the broader community.
- Employ effective public relations program to heighten the visibility and student utilization of the department's programs and services.
- Implement short-term and long-term strategic planning responsibilities.
- Oversee yearly planning priorities and student learning outcome initiatives.
- Manage all departmental assessment and benchmarking initiatives.
- Provide leadership and oversight for the Division's health promotion activities including but not limited to alcohol, tobacco and other drug education, interpersonal violence prevention, bystander intervention, sexual health education, sleep and stress management, men's and women's health, and general wellness.
- Maintain and report sexual assault and alcohol prevention education participation rates and activities for the University's annual Clery Report.
- Assist in the development of university-wide policies regarding alcohol and other drugs, sexual assault, and the Illinois Smoke-Free Campus Act.
- Coordinate the Drug Free Schools and Communities Act Biennial Review regarding alcohol and other drug education.

- Steward of the Toni Lotsof (NIU Foundation) Pioneering Healthier Communities (DeKalb County) internship.
- Provide Brief Alcohol Screening and Intervention in College Students (BASICS).
- Serve as Campus Security Authority.
- Oversee health/wellness surveys and needs assessment initiatives.
- Oversaw sustainability of victim advocacy per 2010 Department of Justice Violence Against Women grant (organizational restructure 2015).
- Oversee special projects such as Division priorities, publications, and other duties as assigned by the Vice President's Office.

2005 (Interim) *Mt. Mary College*, Milwaukee, WI, Division of Academic and Student Affairs

**Coordinator, Disability Services and Academic Counseling**

- Coordinated academic access and services for students with disabilities.
- Provided advocacy and consultation regarding ADA/Section 504 compliance for the college community.
- Provided educational outreach to the campus community.
- Provided individual academic counseling for students with academic concerns.
- Oversaw early alert system for academically at-risk students and those on academic probation.

1999–2004 *Marquette University*, Milwaukee, WI, Division of Student Affairs

**Director, Center for Health Education and Promotion/  
Assistant Director, Student Health Services**

- Planned and coordinated all health education and health promotion programs representing the Student Health Service.
- Developed and managed the Center's administrative operations and programming budget.
- Supervised and/or trained professional staff, peer educators, interns, graduate students, and support staff.
- Oversaw departmental goal-setting and strategic planning; conducted objective programmatic review and evaluation.
- Participated in Student Health Service goal-setting and strategic planning, and advised on organizational policy and overall governance.
- Designed and implemented prevention education, wellness and health promotion activities followed by CQI initiatives (data analysis summarized and prepared reports).
- Developed, marketed, and implemented needs assessment, accreditation, and policy initiatives.
- Managed the design and marketing of products, website, and materials for health service initiatives.
- Served as consultant regarding health promotion curriculum development for university faculty and staff.
- Provided one-on-one, multi-session nutrition education interventions.
- Coordinated professional and student-centered conferences and events.
- Oversaw recruitment, coordination, and supervision of the Student Health Advisory Committee (SHAC).

- Coordinated strategic planning and project management for Department of Justice Violence Against Women grant.

1994 –1999 *Rutgers, the State University of NJ, New Brunswick, Division of Student Affairs*

**Coordinator, Health Promotion, University Health Services**

- Created, promoted, and facilitated educational opportunities (topics: academic achievement, personal development, conflict management, stress management, time management, cross-cultural communication, international student health, eating disorders, body image, relationship violence, depression/anxiety awareness, college/career planning, nutrition, sexual health, alcohol, tobacco and other drugs, racism/sexism/homophobia, and women's health issues).
- Taught department health education course.
- Supervised registered dietitian and peer health educators.
- Coordinated service learning opportunities for students interested in health-related fields.
- Assisted with needs assessment, health risk behavior surveys and policy implementation.
